ONONDAGA COUNTY, N.Y. -- Onondaga Community College has received the largest cash donation in school history and plans to use it to draw in potential students.

The Syracuse Research Corporation donated \$525,000 to help the Presidential Scholars Program. The program will pay for tuition and fees scholarships to Onondaga County students graduating in the top 20 percent of their class. The scholarships will be open to graduates of every high school in Onondaga County.

"I am so thrilled that we are kicking off 2008 by building a community wide scholarship program that will ensure access to college and a better life for academically successful graduates in Onondaga County. It's programs such as this one that invest in our local citizens that will help to secure the future of our community," said Debbie Sydow.

OCC has nearly 11,000 students and was recently named one of the fastest-growing community college in the nation.
